INSTRUCTION FOR PRESIDING OFFICER (RELATING TO CCTV CAMERA)

1. Your Polling Station will be under the surveillance of CCTV camera.
2. There will be some polling stations where operator of CCTV will be tagged with the polling party. In such case the operator will handle the entire operation of CCTV Camera. **But there will be some polling stations where operator of CCTV will not be available.** In such cases the CCTV camera will be installed on P-1 day by the agency. Presiding officers will only switch on the plug point of the switch board before mock poll starts.
3. Please do not displace and touch the camera during the time of poll.
4. Switch off the plug point of the switch board and remove CCTV Camera after the poll process is over.
5. Deposit CCTV Camera at the RC Venue properly.

METHOD OF PLACING CAMERAS – Cameras shall be placed in such a manner that they can record the voters in the queue, and the proceedings in the polling station, including the process of identification of voters, application of indelible ink etc. **it must be ensured that secrecy of voting is not violated by the camera in any manner.**

VIDEOGRAPHY

What should be recorded by the camera – The videography / photographer shall make sure that all important events such as mock poll, sealing of EVSs signing by polling agents on the seals of EVMs etc. are properly recorded. Any untoward incident at the polling station must also be recorded. Specially the following must be recorded :-

- 1) Attempts of intimidation of voters.
- 2) Attempts of inducement / bribing of voters.
- 3) Canvassing within 100 meters of polling stations.
- 4) Positioning of voting compartment.
- 5) Booth capturing.
- 6) Violent incidents, damaging of property, looting arson, brandishing of arms etc.
- 7) Riots or riotous situations.
- 8) Assured minimum facilities (AMF) at the polling station.
- 9) Presence of polling agents.

- 11) Mock Poll.
- 12) Clearing of mock Poll.
- 13) Sealing of EVMs.
- 14) Process of identification of voters.
- 15) Voters in queue.
- 16) The length of queue at the time fixed for close of poll.
- 17) Any dispute of any nature at the polling station.
- 18) Visit by sector officers, observers and other electoral functionaries or any important person including the candidates.
- 19) Replacement of EVM, if any.
- 20) Any incident at the polling stations.
- 21) All video and photography should be done with date and time recording so that the real time and date can be verified.

Further, any untoward incident having occurred within the polling station or along the queue of the voters must be video graphed. The Presiding officer should guide the videographer to take shots accordingly. He should also take periodical picture of the activities in and outside the polling stations every 20 minutes. Care should be taken to ensure that under no mean data storage of the camera is exhausted prior to completion of poll. The videographers need to be apprised accordingly at the time of trainings.

Instructions for Polling Personnel at DCRC

Distribution Centre

1. All Polling Personnel after reaching the DC venue will check the **decoding list** for the Polling Station assigned to them. This data will be **displayed** at the DC Venue.
